

GOOD MORNING!

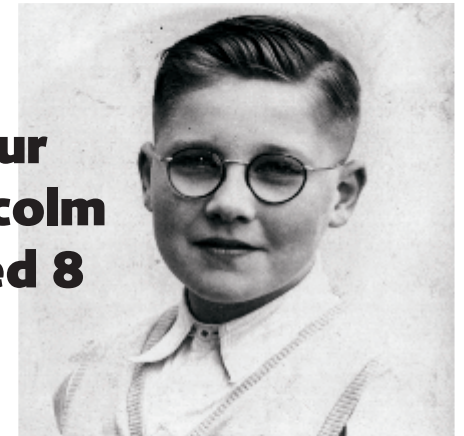

GOOD MORNING!

You get nothing for voting Tory - not in this game!

Today is election day here in Heywood

Lib Dem candidate Malcolm Bruce works hard for Heywood ALL year round. It is clear that this years' election is a two horse race between our Malcolm and Gordon Brown's Labour candidate. The Conservatives can't win today - voting for them or not voting at all could let the Labour Party sneak in through the back door. Let's send Gordon a clear message. Vote Brucie today!

Brucie says thank you...

Malcolm Bruce would like to say a big thank you to all the residents who have supported him throughout his campaign. He has been instrumental in extending Heywood Cemetery and he has campaigned against Labour's decision to cut 2,500 post offices. Malcolm is also currently campaigning to get Heywood Train Station linked back up to the national rail network and wants even more power from Rochdale into Heywood.
