Lib Dems introduce **FREE** after **3** Parking

Castleton Liberal Democrats are delighted to announce that all council owned car parks in Rochdale town centre will be **FREE AFTER THREE**, everyday of the week, for all residents.

The ground breaking initiative was put in place by the Liberal Democrats to increase trade in our town centre.

Local Councillor Peter Davison said: *"This is just one of a number of measures that the Lib Dems are putting in place to help local people and businesses beat the credit crunch. We are getting some great feedback from residents and retailers who say they have already noticed an increase in trade. The Liberal Democrats will continue to fight for local businesses."*

Councillor Ted Flynn, a member of the **Town Centre Committee** said: *"The Lib Dems have introduced a set of positive series of measures*

to improve our town centre. With the building of a new sixth form college, the Metrolink coming to our new transport interchange and the £250m to fund new businesses and it is clear to see that Rochdale has quite a few exciting years ahead of it."

Carnival Capers

The weekend of July 25th/26th will see Castleton residents celebrate our village's annual carnival. The parade, to be led by the Mayor, will be the highlight of the weekend's festivities which will also see a car boot sale held in Springfield Park on the Saturday.

Councillor Peter Davison said: *"This annual event is a great opportunity for residents to come together and brighten our village whilst at the same time raise money for local charities."*

Last orders for Eurosave!

Councillor Pat Flynn alongside local businessman and objector Phil Wall outside Euro Save.

Residents will be pleased to know that the controversial application to re-open the 24/7 Eurosave off licence on Manchester Road has been declined by the Council's Licencing Committee. The store closed last year and the Alcohol Licence expired.

Councillor Pat Flynn, who made her objections known at the hearing said, "I was delighted that Castleton residents and our Business Community came forward once again to squash this application for the licence to sell alcohol at Eurosave. It was an excellent result for Castleton and a blessing for our residents. If you have any concerns over any planning applications that could affect us then please get in touch and we'll be happy to help."

Congratulations to St Edward's

St Edward's Primary School has been victorious in the North-West Educational Awards and has won the top Sustainable Schools Category. The school which has proudly achieved Green Flag Status was presented with its prize earlier this month.

Councillor Ted Flynn said: "The school prides itself on its environmental awareness and this award is recognition of that. Castleton residents will be aware of the school's involvement with decorations for our village green's Christmas tree which was a successful deterrent to vandalism."

Staff and pupils celebrate their award.
