FOCUS

Common Sense For Kingsland

Dear Resident,

Castleton's Liberal Democrats Councillors are always pleased to pass on good news.

There has been a great deal of concern regarding rumours that Kingsland Common is to be developed in some way.

However, we are delighted to inform you that no action will be taken and the Common will remain a piece of common land as it was always intended.

Kindest regards,

Councillors. Peter Davison, Ted & Pat Flynn
