

Stop the Debt!

Rochdale Borough Council has already borrowed £150 million, and want to increase that over the next few years taking us to a quarter of a billion in debt by 2024.

This is unacceptable and will only create a payback burden for the borough, which will be a timebomb that our children and future residents will have to pay back.

We need to look again at how we fund ourselves here, and how we can better prepare ourselves for the future without mountains of debt holding us back.

Say no to more local council debt, sign below.
